RE: Request for public records

Under Article II, Section 9 of the Montana Constitution and the public records provisions beginning at § 2-6-1001, MCA, I request copies of the following:

All records of the City Council’s closed session on September 22, 2026, including any recording, notes and minutes, and every document given to Council members about eliminating the night-shift Water Treatment Operator II position.

Date range: August 1, 2026 to September 25, 2026.

Please include records held by or about: Mayor Ellen Marsh; each Council member; City Attorney Grant Seeley; Dale Pruett. This request covers official accounts and, where the content concerns public business, personal accounts and devices.

Please provide records in their native electronic format with metadata intact where possible, rather than printed and rescanned.

If any part of this request is denied or withheld, please state in writing which statute or rule you rely on and identify what is being withheld.

Please confirm receipt and provide an estimate of any fee before beginning work. If a fee waiver is available, please treat this as a request for one.

Sincerely,

Jenna Caldwell
