WRITTEN WARNING

Employee	Jenna Caldwell	Position	Water Treatment Operator II
Supervisor	Dale Pruett, Public Works Superintendent	Date issued	March 27, 2026
Level	First written warning		

Reason for warning: Attitude toward supervisor.

Description: On March 26, 2026, the employee questioned the overtime schedule in front of other staff and stated that she had raised concerns with Human Resources. The employee's tone was disrespectful and not consistent with department expectations.

Expected improvement: The employee will direct scheduling questions to her supervisor privately and maintain a professional tone.

Consequence: Further incidents may result in additional discipline, up to and including termination.
